

North Carolina sportsmen

1 million hunters & anglers spending \$4.7 million a day

TOTAL SPENDING \$1.7 billion

Casting benefits throughout the economy.

- Sportsmen support more jobs in North Carolina than the University of North Carolina, North Carolina State University and the Duke University Medical Center combined (29,000 jobs vs. 26,500).
- Annual spending by North Carolina sportsmen is more than revenues of Trinity-based Sealy (\$1.7 billion vs. \$1.6 billion).
- Sportsmen in North Carolina spend more each year than the combined cash receipts for greenhouse/nursery and turkeys, two of the most valuable agricultural commodities in the state (\$1.7 billion vs. \$1.5 billion).
- North Carolina sportsmen spend \$313 million annually on outboard boats and engines to get out on the water and around the marshes for fishing and hunting.
- North Carolina sportsmen could fill every seat at Lowes Motor Speedway more than 6 times (1 million vs. 165,000).

Lots of bang. Even more bucks.

If the \$76 billion that sportsmen spend on hunting and fishing were the Gross Domestic Product of a country, sportsmen as a nation would rank 57 out of 181 countries.

The majority of all sportsmen consider themselves "likely voters" and 8 in 10 say that a candidate's position on sportsmen's issues is important in determining for whom they will vote.

If all hunters and anglers living in North Carolina voted in the 2004 presidential election, they would have equaled 40% of the entire vote.

1 out of 7 residents hunt or fish.
