

McGRUFF® ON GUN SAFETY

Personal Promise To My Family and Friends

Today I watched a program called “**McGruff® The Crime Dog On Gun Safety**” that has helped me understand how to be safe around guns. I want to join McGruff and his nephew Scruff® and promise to do the following:

- *I Promise*, I will not handle guns without permission from my parents or guardian.
- *I Promise*, I will never play with guns.
- *I Promise*, If I find gun, I will not touch it; I will leave the area and tell a grown-up about it right away.
- *I Promise*, I will never bring a gun to school, and I will tell my teacher or another adult about anyone who brings a gun to school, or threatens to bring a gun to school.

I, _____, join McGruff and Scruff in following these simple rules to be safe around guns.
