Dear Friends,

As the Representative for Nevada's First Congressional District, it gives me great pleasure to welcome everyone attending the 2012 Shooting, Hunting, Outdoor Trade Show and Conference (SHOW Show) in Las Vegas.

I commend your foundation for promoting a better understanding of and a greater participation in hunting and shooting sports, and your efforts to build public awareness of the sportsman's role in conservation. Through your leadership, firearms safety education has been of major importance and especially in providing our next generation with the knowledge to enjoy and strengthen hunting and shooting sports.

As each of you make new friends, expand your networks and build on longtime relationships, I hope you will have the opportunity to enjoy Las Vegas, the Entertainment Capital of the World, and the abundant activities that Southern Nevada has to offer.

Best wishes for a most successful show and conference.

Sincerely,

SHELLEY BERKLEY  
Member of Congress
