NOVEMBER

MONTHLY RANGE CHALLENGE

10 CIRCLE CHALLENGE

ACCURACY | CONSISTENCY | CONTROL

This month's challenge is all about accuracy, target focus and control. Ten circles, ten opportunities to test your skills. The circles are different sizes to make it more challenging and to reward precision. Complete this challenge with a rifle, PCC or handgun.

BEGINNER
BUILD YOUR FOUNDATION

Distance:
5 yards
(Rifle & PCC: 10 yards)

Start Position:
Your choice
(a safe, ready position)

Time Limit:
No time limit

Rounds:
2 hits on each of the 10 circles (20 total)

Focus:
Get hits in all 10 circles, regardless of the size of the circle.

INTERMEDIATE
FOCUS ON CONTROL

Distance:
5 yards
(Rifle & PCC: 10 yards)

Start Position:
Low ready

Time Limit:
3 seconds per circle

Rounds:
2 hits on each circle
(20 total)

Procedure:
Engage one circle with two hits, then stop and reset at the low ready before moving to the next circle.

ADVANCED
DRAW. EXECUTE. REPEAT.

Distance:
5 yards
(Rifle & PCC: 10 yards)

Start Position:
From the holster

Time Limit:
3 seconds per circle

Rounds:
2 hits on each circle
(20 total)

Procedure:
Draw and engage one circle with two hits, then stop and safely re-holster before moving to the next circle.

BONUS ROUND
BEAT YOUR BEST TIME

Distance:
Same as your chosen skill level

Start Position:
Same as your chosen skill level

Time Limit:
As fast as you can get all 20 hits (2 on each circle)

Rounds:
20 total (add a safe reload if needed)

Goal:
Record your total time. Try to beat your time and challenge a friend!

TIPS FOR SUCCESS

- Focus on a consistent grip, sight picture and trigger press.
- Take your time to build accuracy, then add speed.
- Reset at the low ready or re-holster between circles.
- Use a shot timer for the Intermediate, Advanced and Bonus round.
- Safety first – follow all range rules.
