ADD-ON SESSION DESCRIPTIONS

Optional Add-On Session 1: Export Compliance Program – Is Yours Up to Date?

New Time: 2:00pm – 3:30pm

Export compliance programs are a critical part of every company's export business. Does your business have the right processes and procedures in place to ensure your activities are complying with the export regulations? Over the past few years, there have been several changes to export enforcement regulations particularly in the EAR which could impact your business. This session will outline these regulatory changes and provide detailed information on the key components of an effective export compliance program. This important session will help your company stay in compliance with export regulations so don't miss it!

Optional Add-on Session 2: Voluntary Disclosures under DDTC, BIS and Census

New Time: 4:00 – 5:30pm

You may have an export violation – what do to next? DDTC, BIS and Census all have regulations regarding voluntary disclosures, and all with different requirements and different perspectives on how violations are viewed. Knowing the ins and outs of filing a voluntary disclosure helps exporters provide the right information and understand how best to handle the potential violation. This is a session you won't want to miss!
