Thank you for sharing your images that promote safety and responsible gun ownership, as well as the values of community, tradition and conservation that come with exercising your rights respectfully. You have given us permission to post on our social media channels your photos, your handle and the caption that you've placed on your photo ("User Generated Content", or "UGC"). By sharing your UGC, you are agreeing to these Terms and Conditions, the Terms of Use for our website (<https://www.nssf.org/tou/>) and our Privacy Policy (<https://nssf.it/privacy>).

You own the content you share. By sharing your UGC with us, you do not grant any ownership rights in the UGC, and you represent and warrant that you own all right, title and interest in the UGC that you share, including all copyright. You also represent and warrant that the sharing and publication of your UGC does not violate the rights of any other person, including intellectual property rights.

You have the right to share your UGC. By sharing your UGC, you represent and warrant that you are over 18 and that you are the parent or legal guardian of each child shown in the photos you submit. You also represent and warrant that any adult who appears in your photos is yourself.

You grant us a License to use your UGC. This means that we have the right to copy, display, publish, modify and store your UGC anywhere and through any means, and that our right will not expire. This also means that you will not receive any money as compensation for granting these rights.

How we will use your UGC. We have no obligation to use any of the UGC that you share, and we reserve the right to select in our sole discretion which images will be published. The UGC submitted to us may be used on our website and on our social media pages. We also may publish this information in our e-mail marketing and in other promotional and marketing materials.

Waiver. By sharing your UGC, you release National Shooting Sports Foundation, Inc. and its successors and assigns, from any and all liability resulting from its use of the UGC.

If you believe that any content posted on our company-controlled sites is an infringement of your copyright, you may ask us to take down that content by sending us a DMCA Notice. If you believe that a DMCA Notice was been wrongly filed against you, you may send us a Counter-Notice. Notices and Counter-Notices must meet the DMCA requirements and we suggest that you obtain legal advice before sending us a Notice or Counter-Notice. Please note that we will decline to accept UGC from users who we believe to be repeat infringers, and there could be substantial penalties for making false claims.
