

2021 NSSF IMPORT/EXPORT CONFERENCE – ROUNDTABLE DESCRIPTIONS

Roundtable Sessions - August 4, 2021, from 2:30pm until 5:00pm

There will be a total of four (4) sessions, each 30 minutes long. The purpose of the roundtable sessions is to give attendees the opportunity to meet and network with officials from a variety of federal agencies involved in regulating the import and export of firearms and ammunition. This is meant to be an informal setting to facilitate an open and spontaneous discussion without a precise agenda. All official participant comments are off the record and not for attribution.

Maps of table locations are at the entrance to each room.

- **Tables 1 – 3 : BIS Licensing**

BIS Licensing officers responsible for issuing export licenses for firearms and ammunition controlled on the Commerce Control List (CCL) on hand to provide guidance on license applications and the license process.
