

## **IM/EX 2022 CONFERENCE – ADD-ON SESSION DESCRIPTIONS:**

### **Optional Add-On Session 1: How to Import Firearms and Ammunition from A to Z**

Are you thinking of expanding your business by importing firearms and ammunition from foreign sources? Finding partners or sources to support your manufacturing operations, or new products to energize your sales in the U.S. is critical to keep your business growing. Wishing you could find a resource to tell you how to navigate this maze of import regulations and requirements? Then this session is what you need to understand the whole process and the steps to take in order to successfully import firearms and ammunition into the U.S. Presentations will be made by personnel from ATF, CBP and a Custom Broker specializing in the import of firearms and ammunition. Don't miss this unique session!

### **Optional Add-on Session 2: Exporting Firearms and Ammunition from Start to Finish**

Beginners and pros alike will gain valuable information from this session that covers the whole export process from beginning to end. And not just regulatory requirements – also how to make this work operationally for your company. Hear from U.S. government agencies who play a part in the export process, such as BIS and DDTC on export licensing, CBP on outbound shipments and inspections, and a leading freight forwarding company on the details of export logistics for firearm and ammunition shipments. Learn tips and strategies to streamline your export license applications and understand how the freight forwarder and CBP roles are critical to the success of your exports. This workshop will include guidance on the export process from start to finish. For anyone who is exporting, this workshop is a must.

### **Optional Add-On Session 3: The Ins and Outs of Firearm and Ammunition Excise Tax (FAET)**

Representatives from the U.S. Department of the Treasury, Alcohol and Tobacco Tax and Trade Bureau (TTB) will conduct a seminar on firearm and ammunition excise tax with a focus on how to complete TTB Form 5300.26, Federal Firearms and Ammunition Excise Tax Return. Experts will provide line-by-line guidance on how to complete the return, calculate tax, and pay quarterly taxes due on the sale or use of firearms and ammunition. The seminar will also review tax exceptions and exemptions, and other matters of compliance. This two-hour seminar will be of value to all manufacturers and importers of firearms and ammunition and is sure to fill up quickly.
